## *Foreword*

From banquets to hot dogs, basketball to bookkeeping, English to extracurricular activities, student life covers every phase of learning and activity. Students at Holliday High School, as in all high schools, lead a life that is sometimes hectic as they try to maintain their grades and participate in as many extracurricular activities as possible. We have tried to show as many of these activities as possible in this, the 1970 Eagle.

Buddy Richardson

Under the leadership of Mr. Buddy Richardson, a graduate of Midwestern University and the Naval School of Music, the Holliday High School band was chosen the 1969-70 T.M.E.A. Class A Honor Band. The band was the first in this area to receive such an honor, which was based on a tape of their 1969 sweepstakes performance, submitted to a panel of judges in July 1969. The band presented a concert to the 1970 T.M.E.A. convention in February as part of the requirements for this honor.
